

HAND WASH

ALCOHOL FREE

Anti-bacterial Foam Wash

Sychem Protect Plus is a low viscosity hand soap with a mild effective formulation designed to remove light to medium soiling. Easy to rinse off, un-scented and suitable for use in food processing areas.

Complies with EN 1276 and EN 13727 killing 99.9% germs in 30 seconds.

This range is available as a hand wash and a hand sanitiser.

Application:

Apply one to two dispenser portions to wet hands and work in thoroughly for 30 seconds, paying particular attention to finger nails and cuticles. Rinse and dry hands thoroughly with paper hand towel or warm-air drier. Use regularly for maximum protection.

Avoid prolonged contact with hard surfaces, especially stainless steel.

Storage:

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Environmental:

Do not allow large quantities of neat liquid to enter surface waterways. This product uses recyclable packaging and is phosphate-free.

Available in 600ml
